About Warm Winters

Warm Winters was founded in 2011 by Corinne and Katrine, who were 11 years old, out of concern for the well-being of the homeless in their community.

Both ski racers, the girls have collected thousands of warm jackets, hats and gloves from the unclaimed Lost and Found at ski resorts and distributed them to over 1,500 homeless people.

Warm Winters is working with the Jefferson Awards, co-founded by Jacqueline Kennedy Onassis, as part of their GlobeChanger leadership training. With the Jefferson Awards, Warm Winters is going national. In the next five years, our goal is to be in 10 states, work with 50-60 ski resorts, and distribute warm clothing to 50,000 homeless people.

It's really easy to make a difference!

If you are involved with a ski resort, helping the homeless is simple!

Let us show you how to redirect the unclaimed Lost and Found clothing at your ski resort to directly help the homeless in your community.
