

Youth Changing the Lives of the Homeless

**GLOBE
CHANGERS**

A project of The Jefferson
Awards Foundation

Thank you so much for your recent donation of unclaimed Lost and Found clothing. Warm Winters is so grateful to be able to help the homeless by distributing the warm clothing from your resort's unclaimed Lost and Found directly to those who need the items the most. You have done a wonderful thing by helping to keep the homeless in your community warm and dry!

Attached are receipts showing where your most recent donations went.

We look forward to continuing to work together throughout the ski season. Please let us know when additional Lost and Found items are ready for pickup.

Sincerely,
