

# Socks In The City Collection Drive!

**For those living on the streets, feet matter.  
Here's something you can do to show you  
care. Donate new socks.**

**Access to socks is often limited for homeless men and  
women living on the streets. Keeping feet clean and dry  
prevents disease.**

**Please donate NEW adult and  
children's socks between 3/11 - 4/8/18  
for our homeless community  
members!**
